

ALL GREAT ACHIEVEMENTS TAKE TIME

**Success is the sum of small efforts repeated day in and day out.
Nothing great is created suddenly, any more than a bunch of
grapes or an apple miraculously appears.**

**If you want to grow an apple, you must give it time.
There must be time for it to blossom, bear fruit and then ripen.**

**That which grows fast, withers as rapidly.
That which grows slowly, endures.**

**Success takes an investment in time, dedication, and sacrifice. It
is a process.**

-- Robert Kiyosaki

How will you apply this to your life?
